Our Value Additions

Unidemy Industry Experience Program (UIEP)

Our industry experience programs are aimed at providing exposure to corporate work culture along with live projects hands-on experience in product development and latest technologies. The program aims to develop in demand skills such as Web Development, Artificial Intelligence, Data Science, IOT, Embedded Engineering, Electronics manufacturing, Automotive and more. These skills will add dynamism to student's profiles and make them industry ready.

Unidemy Study Overseas Programs (USOP)

We have partnered with hundreds of universities and schools in the USA, Canada, South Korea, India and European countries. A brilliant academic record and an outstanding GRE/GMAT/SAT score are the basic requisites. What will help students stand out in a crowd would be a unique profile. We help students build a profile that would guarantee a top admit as well as helping them write exceptional SOPs and glorious LORs. Our expert overseas admission consultants work fervently to help students achieve their dream college admissions into our partner universities.

Career counselling

Our chief aim is to help students identify their intrinsic abilities and interests in order to facilitate a career choice. We conduct customized psychometric assessments in order to dive deep into a student's mindset. Our expert Career Counselors with over 25 years of experience in shaping careers provide in-depth psychometric analysis catering to the individual needs in order to facilitate decision-making with the involvement of all stakeholders - parents, teachers, counselors, and the students.

Our Value Add Programs

1

International Student Exchange Program (ISEP)

In ISEP exchange students bravely leave the comfort of home to experience a new culture and way of life in a new country. Diversity is a much needed quality that is required to be successful in today's dynamic and global market. Interaction with peers from diverse backgrounds will widen their perception of life and will empower students to become global citizens. We currently support student exchange programs among USA, India, Korea, and Vietnam. This is an expanding space and we endeavor to include various European and trans Atlantic cultures.

2

Unidemy Student Loans Program (USLP)

In our continuing endeavor to ensure that finance isn't a hindrance to the dreams of our students, our Student Loans Program supports students in need of funds without co-signers, collateral, or a US credit history. Fixed-rate loans ranging from \$2,001 to \$100,000 total with interest rate discounts are available.

3

Unidemy Learning Management System (ULMS)

Our immersive LMS is equipped with state of the art test prep features for GRE, GMAT, SAT, IELTS, and TOEFL. It features an inbuilt recommendation engine to help students analyze areas of strength and weakness, along with multitudes of drills and tests that simulate the real test taking experience.

Unidemy Career Counselling (UCC)
